Kylie's Naughty Antics

Dear Virgin Territory,

There's something about Kylie. I know she's just modeling in her photos, but I feel like she's looking directly at me and asking me if I want to play. Why, yes I do! I love it when you feature girls in training bras and white panties the way you did with Kylie. Her smile and body language scream sexuality yet her plain underwear hint at her inexperience and naivete. I would have liked to have seen more photos of her pussy without her finger in the way. In general I think you should avoid the finger and toy photos unless they are exceptional. Dildo and finger photos are dated. They have a very 90s porn look to them, and they block the juicy goods we want to see. Unless there is a cock in there, I prefer the view of the pussy to not be blocked by anything.

But back to Kylie. She looks sweet in that polo and skirt, but I have a feeling she's a naughty girl. Of course I won't know until I see her in hardcore, but I have a pretty good sense for these things. She looks like the kind of girl who drives all the guys at school nuts, from her classmates to the teachers. She probably walks around batting her eyes and sticking her ass out whenever she can. And she's probably loves sucking cock, too. Can't wait to see more of this little cutie.–R., Memphis, Tennessee

As predicted, readers loved Sally. Here's her top half: tits and tinsel.

Dear R.,

Why yes, Kylie does love sucking cock! How did you know? Guess some girls just have that look. You can see Kylie on page 54 of this issue, and her hardcore layout will run soon.

Squirting for Sally

Dear Virgin Territory,

Just picked up your Oct. '16 issue and WOW. Hearing sexy schoolgirl Sally talk about her talent for squirting made me squirt several times myself. I would love to see that in person.

Kylie's fresh face and sweet smile say nice girl, but her spread pussy says naughty teen tart. So which is she? In our world she can be both!

So put her back in that cute white training bra and get her squirting pussy on camera! Hurry! Before those adorable braces come off!–B.L., Bloomington, Minnesota

Dear B.L.,

Don't worry; we've got you covered. Sally is in a solo pictorial on page 29 of this issue, but her hardcore pictorial is coming up soon!

The pubic hair debate continues. We will continue to feature both shaved and fluffy pussies. Here's Lexy's blonde muff. It's light, but it's there!

Schoolgirl Fantasies Cum True

Dear Virgin Territory,

Oh my goodness. Plaid schoolgirl skirts. White blouses with regimental ties. Tight teen bodies galore. Sexy dental braces aplenty. All of them in abundant supply for our eager viewing pleasure in the Oct. '16 issue of *18eighteen*. In particular, the superb pictorial of the teasing, white panty-clad, tinsel-toothed Sally, resplendent in her short red tartan skirt, is breathtakingly stunning. Every model showcased in this Back to School issue are all coed fantasies come true. Said issue makes me wish all future issues of *18eighteen* were Back to School issues.–R.S., Kailua, Hawaii

Dear R.S.,

Just as we told B.L. in the letter above, Sally will soon appear in a hardcore pictorial. We will also have more schoolgirl uniforms in our upcoming issues, so keep your eyes peeled for them!

Keep the Pubes!

Dear Virgin Territory,

It's a shame that pubic hair has become so rare these days. That's why I was especially

pleased to see Lexy's natural bush in the Oct. '16 issue. Her blonde bush and Chloe's make my mouth water. Will Lexy be growing hers out to be as fluffy as Chloe's? I hope so. When shacking up with a young lady, I like to begin by stroking and running my fingers through her muff, gently caressing it and enjoying the sensation of her silken hair on my hand before exploring deeper into her womanhood. Then I venture down below to spread her fuzzy lips and taste the honey pot inside. I love the way that pubic hair traps the juices and scents of a teenage girl's arousal. All girls had pubic hair back when I first started fooling around, and I was always turned on by those luscious muffs, so much so that I was confused when the shaving fad started. Why would a girl choose to remove such a prized pelt? I'll never understand it, but I appreciate the girls who keep their pubes all the more because of it. Lexy and Chloe, don't ever change!–R., via email

Raven's tits may not fit in her shirt, but they fit around your cock.

Dear R.,

This is a topic that often comes up in our magazine. Some guys love pubes, others prefer shaved pussies. If you want to see a truly luscious blonde bush, check out Satine from the July '15 issue. She has plenty of fuzz for you to run your fingers through!

Busty's Not Bad

Dear Virgin Territory,

Raven from your Oct. '16 issue is absolutely gorgeous. I can't imagine anyone finding her large breasts unappealing. I think you should feature more busty girls alongside your flatties. In addition to her breasts and tight body, Raven also has an absolutely delectable pussy. The photo of her spreading it on page 43 is perfect. Her hole is so tiny and pink. That is one delicious teen box! It looks so tight; I bet it would feel amazing around my cock.

I also enjoyed reading about how her button-down shirts don't fit her big bosoms. I remember as teenager some of my female classmates had this problem. I would look at their shirt buttons practically bursting and secretly hope they would. It was nice to also have the visual of Raven busting out of her shirt. I felt my cock harden seeing her cleavage exposed through the hole in her shirt. Does this cutie do hardcore? I would love to see a cock between those two juicy tits.–J.M., Toronto, Ontario, Canada

Dear J.M.,

Sadly, Raven did not do hardcore for us. But here's a bonus photo of her lush tits bursting out of her shirt.

Young & Stretched

Dear Virgin Territory,

I was very happy to see Lily finally fucking in your Back to School issue. There is no finer teen than her, in my opinion. She's just so cute that I can barely contain myself. She has an adorable face and an above average figure with her tiny waist, pert tits and round booty. You did a good job pairing her with JMac. Her mouth could barely fit around his shaft and she struggled to stuff it down her gullet. Then in the photo on page 48, her pussy is so tight it barely looks like it can fit JMac's one finger. She takes that cock though, and she takes it well. I quite enjoyed the centerfold photo of her getting fucked as it was a little different than your standard fare. The photo of Lily with a finger in her ass on page 52 was such a tease! For a moment there I thought she was going to do anal. I would be thrilled if she decided to do such a thing on-camera. But for now, I am happy to see her pussy fucked and her fresh teen face and tits covered in cum.–F.R., Minneapolis, Minnesota

Dear F.R.,

The scene for this pictorial is in Flat & Fucked 9, *just in case you want to see Lily get stretched out on video. You can order it on page nine.*

Brace-face Bonanza

Dear Virgin Territory,

Thank you for giving us not just one, but two brace-faced cuties in the Oct. '16 issue. Sally is great in her schoolgirl uniform. I'm sure I speak for all your readers when I say thank you for this little cutie. She's adorable with her naughty smile and

That finger in Lily's butt felt better than she expected.

Karly spreads her puffy pussy to show the hidden slit inside.

tiny, pointy tits. And that pussy is so little and pink. I can't wait to buy her videos so I can see her squirt all over a cock. It's unusual for a girl so young to acquire that talent, but I'm glad she's ahead of the pack!

The other brace-face babe you brought us was Karly. She's just as cute as Sally and nearly as flat! I found her big, pink, puffy nipples to be particularly suckable. She seems a little more shy than Sally, but I'd be more than happy to teach her a thing or two. Karly also has one of my favorite types of pussies. It's a puffy slit and her clit and inner labia do not show, even with her legs spread, unless she opens her pussy with her hands, which she so kindly did on page 73. It was like she opened the oyster and revealed the pearl inside. What a gorgeous looking pussy. Such a tight and tiny slit! As she got dressed for class it appeared that she was not wearing panties. I would love to see an upskirt photo of her bare pussy. As a teen boy in school, I would always try to look up girls' skirts in hopes that they weren't wearing panties, but alas, it never happened. But even more so, I would love to see Karly's pussy get fucked. I'm waiting anxiously for that one. Please keep bringing us these great brace-face teens.–K.S., Cranston, Rhode Island

Dear K.S.,

You can see Karly fuck in the DVD After School Slut Club 5. *Order it on page nine.*

Bambi's Bum

Dear Virgin Territory,

I want Bambi to sit on my face. All those pictures of her pussy and butthole drove me nuts. She has a beautiful asshole and a beautiful body. In the photo on page 78 with her panties down, I can just imagine kneeling before her peach of an ass and sticking my face in her crack to lick away. I want to taste every inch of her and then give her my big, hard cock.–A.M., Kalamazoo, Michigan

Dear A.M.,

Bambi spreads that ass and plays with her pussy on video on 18eighteen.com, if you're interested.

Teen Butt Sluts

Dear Virgin Territory,

Tiffany from the Oct. '16 issue is such a butt-stuffed slut; I love it. She has a nice, plump ass. The kind that's perfect for fucking. Too bad more of your teens don't do anal. They don't know what they're missing. My all-time favorite anal teen is

Bambi will gladly let you tongue-fuck her pussy and asshole.

Gina Gerson. She takes it up her backdoor like a champ. And she's so fuckin' hot, too. Paola Vega also got her ass fucked hard by JMac back in the day. I'll never forget that scene.

ALEX
Flat & Juicy

Sometimes getting laid is as easy as asking.

This guy asks Alex to show him her tits, and she's happy to bust out her little flatties so he can suck and fondle them. Alex gets down on her knees and spits all over his cock and licks his shaft. Being so petite and tight, this guy has to push his dick in slowly past her labia before she can take it all the way in her pussy.

Her flat chest has been covered in many loads.

"It makes me feel good to know that a guy gets hard because of me…all of me. That includes my tiny tits. Every guy I've had sex with has wanted to fuck me again, so I must be doing something right. It helps that my pussy is always just a couple of cock-thrusts away from cumming."

KASEY
Earning Her
Dick-ploma

Kasey is the classic good girl gone bad.

In high school she was a cheerleader who graduated with honors and had never touched a cock. “I was a virgin until I graduated. Now I’m finally having sex.” She’s not only having sex, she’s spreading her teen slit and showing off her perky tits in our magazine. “Everyone at school would be shocked if they knew I was doing this. I had such a reputation as a good girl. Not anymore!”

What made you want to be in our magazine?

"It seemed like fun. I wanted to show off my body and have guys jack off to me. And I guess I'm making up for lost time having been such a goody-goody in school. There was a side of me that always wanted to be a wild, bad girl, but I guess I was scared to let it out. That changed when I graduated."

What kind of bad girl things have you been up to since graduating?

"Well there was the time not too long ago that I had sex behind a church at night. And I've also had sex with a girl. She's my best friend so it wasn't weird or anything. The kinkiest thing I've done is have a three-way with my best friend and a guy we know. We both sucked his cock at the same time which was really hot. Then he laid down and we both straddled his face so he could lick both of our pussies while we made out. He took turns fucking us and my friend even licked my clit while he fucked me."

SEAN PRIZES HIS ALONE TIME, BUT HE'S MORE THAN HAPPY TO HAVE COMPANY WHEN HIS YOUNG NEIGHBOR COMES OVER TO ASK HIM FOR A FAVOR.

Sean Hanson was nicely settled down on his living room couch, beer in hand, about to indulge in the luxury of choosing a favorite DVD without having to consult the preferences of his wife or his two young children. The three of them had gone out of town for the long holiday weekend, visiting her parents, and he was looking forward to a full 72 hours of freedom. He'd just finished cleaning up after a Chinese take-out dinner and was now anticipating the cinematic delights of–what? *Dr. Strangelove? A Clockwork Orange? Bladerunner?* In any case it would be whatever he chose. It was a moment to savor and he was savoring it.

As a result, at first he was reluctant to acknowledge what seemed to be a knock at the front door. "What the hell?" In his exasperation he spoke out loud. "Who would be coming over at seven o'clock on a Friday evening? I don't hear anything," and he sunk even further into the comfortable leather couch.

The knocking persisted, however, and eventually he was forced to yield. Grumbling, he gathered himself, rose, placed the beer on the small end-table, made the trek across the living room and down the hall. As it happened, by the time he reached the door the knocks had stopped and he was tempted to let whoever it was drift off into the night. But he had come this far….

As he tentatively opened the door he saw a girl had reached the bottom of the brick stairs. He knew immediately who it was.

"Diane!" He shouted. She stopped and turned. "What are you doing here?"

INITIATION

BY H. VALENTINE

She started to retrace her steps up toward him. "Oh, I'm supposed to babysit tonight," she said brightly. He quickly realized the mistake. "Didn't Joy call you? She and the kids went to visit her parents this weekend. Nobody home but me."

"No, she didn't call." She had returned to the porch and was looking, Sean thought, her usual adorable self. Cute face with round, smooth, pink-tinted cheeks, big blue eyes, small mouth, slightly pouty lips, spun gold blonde hair falling halfway down her back. She had pert tits, big enough not to get lost in the folds of a bulky sweatshirt, great legs, the seductive curves very much on display in her tight-fitting denims. It was all he could do not to pull her close to him and start fondling her pretty, little ass.

Diane herself was oblivious to the light of lust animating her employer's eyes. She had her own preoccupation. *This is strange*, she thought. *I've been racking my brain trying to figure out how I might arrange to talk, alone, to this man, a long-time friend of my family, for over a month. Now the opportunity has magically appeared and I don't know if I can go through with it. Darn!* She stood frozen in perplexity.

He came to her rescue. "Listen, sweetheart, I got nothin' goin' on tonight and it looks like you don't either. Wanna come in?" The term "sweetheart" instantly endeared him to her.

"Well, okay," she said a bit tremulously. "If you're sure I'm not bothering you."

"No bother at all, sweetheart." Then, smiling, "Let's the two of us make a night of it!" She flashed a nervous smile in return and stepped inside. She knew the way to the living room. Arriving, she paused in the middle of the handsome Persian rug while he quickly dimmed the lights, then plunked down on the couch and patting the cushion next to him invited her to sit close. Gambling a bit, he curved his arm around her neck, allowing the tips of his fingers to come to rest at the top of her breast.

They chatted for a few minutes but after a while there were awkward pauses. He saved her again. "Diane, you're not usually at a loss for words. Is there something, I don't know, something special on your mind? I don't want to pry but–" She closed her eyes, allowed herself a shallow sigh– and finally found her courage.

"Well, yes, there is something but it's hard for me." Pause. "It's kind of an embarrassing subject–more than embarrassing actually–but I feel like you're the only one I can talk to about it." Pause. "And I…want to ask you a favor."

Sean was massively intrigued– what could this be?–but for the moment he decided to rein in his imagination and simply reassure her. "Sweetheart, whatever it is, you know you can trust me. I've known you a long time. I've seen you grow up. Mature." He couldn't resist extending his fingers and gently squeezing her breast at this point, hoping she would take it in good humor. In any case she didn't flinch. He went

HE COULDN'T RESIST EXTENDING HIS FINGERS AND GENTLY SQUEEZING HER BREAST AT THIS POINT, HOPING SHE WOULD TAKE IT IN GOOD HUMOR. IN ANY CASE SHE DIDN'T FLINCH.

on. "And, well, I've never actually said the words but I think you know that I really care for you." With his free hand he reached over, pulled her hair back to expose her cheek which he then caressed with the back of his fingers.

She melted.

"Oh, Mr. Hanson, I care for you too," she exclaimed and without thinking turned and placed a kiss on his cheek, then quickly withdrew, embarrassed. She looked down into her lap. *Wow, this is getting curiouser and curiouser*, he thought. And his breast hand started squeezing a bit more boldly.

After a minute of silence, however, he withdrew the hand from its fondling place, put it on the back of her bare neck and began a gentle massage. Eyes closed now, she lifted her head up, leaned back into the magic of his finger work. In short order she felt relaxed enough to begin her tale.

"Well, it has to do with sex." Sean's heart started to race but he kept his calm.

"Go on, love," he encouraged.

"I've had sex but not much," she said. "On one date I let a boy feel me up. The next time, we were in the back seat of his car. He unzipped my pants and I let him put his hand down there. He put his fingers in me. He was kissing me and it felt good, I was enjoying myself, maybe moaning a bit. But then, all of a sudden he broke our kiss, turned and–I didn't realize in the dark what was happening–unbuttoned his pants and took his penis out. He wanted me to suck it, but it was all happening so fast. He put his hand on the back of my head and tried to push it down, but I pulled away. I wasn't ready, so I told him no. He got out of the car, slammed the door, then got back inside and started driving while I fastened my bra and zipped my jeans. When we got to my house all he said was, 'Get out, bitch.' First I was in shock. Then I was in tears."

"ON ONE DATE I LET A BOY FEEL ME UP. THE NEXT TIME, WE WERE IN THE BACK SEAT OF HIS CAR. HE UNZIPPED MY PANTS AND I LET HIM PUT HIS HAND DOWN THERE."

She paused.

"I've talked to other girls who've had similar experiences. Guys will drive girls to parking lots and without any foreplay at all take their things out and expect the girls to just suck it. They try to push their heads down. It's not nice or sexy at all."

She stopped, closed her eyes, took an audible breath. Sean didn't hesitate. He leaned to her, whispered "sweetheart" in her ear, kissed her cheek, slowly worked his way to her mouth as she instinctively turned toward him. When their lips met it was magic for her. She felt so happy, so secure, so aroused.

Sean could have pressed his advantage right then and there, kissing her deeper, copping a feel, maybe ending up with his hand down her pants, but he decided to play it cool. He recalled the favor she had mentioned and started thinking a miracle might be about to fall into his lap–literally! He backed off slowly, giving the adorable girl a chance to continue. After a few beats she did.

"Well, from my story you might think I'm sexually squeamish–"

"No, no, sweet thing, that boy was a crude little punk."

"Yes, that's what I think too, but that doesn't mean… well, I wouldn't want you to think I'm a prude or something, that I have no interest in oral sex at all."

"No, of course not, of course not. It's perfectly natural."

"Yes, that's what I think. It's normal for a girl to have her… sexual curiosities."

"Absolutely."

"Well…maybe you can guess what I'm leading up to," she suggested, looking up at him shyly and sweetly.

"I'm not sure, sweetheart," he replied, and peering into her eyes gave her his most compelling you-can-trust-me look. "Why don't you tell me?"

"Well, I was wondering if…if you would mind if I experimented, maybe that's not the best word, if I experimented on your penis. If you would let me take it in my–." Before

SALLY
Soaking Wet

Sally gets really wet in the bathtub.

But it's not just from the faucet. The shower is one of her favorite places to masturbate, and her pussy gushes as much as a shower-head. If you remember her appearance in the Oct. '15 issue, Sally is a squirter. She knows how to rub her pussy to make it spray girl cum. "It's my special talent," she said.

She uses the showerhead for more than bathing.

"I love to use the showerhead to masturbate. I put the pressure up and point it directly at my clit. Then when I squirt the water just washes it all away. It feels amazing and it's convenient. I also like to point it at my butthole because it feels good. Sometimes I'll rub my clit or finger my pussy while the showerhead is blasting my asshole and it feels like a guy rimming me." It looks like Sally is priming herself for some anal action! "If it feels as good as it does in the shower, I'm all for it!"

What do you think about when you're cumming in the shower?

"One of my favorite fantasies is about an old teacher I had. He used to call me Lil' Squirt. If only he knew that I really could squirt! I wanted to fuck him so bad, so I think about what it would've been like to actually be with him. Sucking his cock in the classroom, riding him on his chair."

What's going on in there?

Want to know a secret? Teen girls want to look at their own pussies as much as you do! "All my girlfriends and I talk about how we examine our pussies in front of the mirror."

The mirror isn't the only glass she plays with.

Haley has a big glass dildo that's one of her favorite toys to play with. "My best friend lost her virginity to this really cute guy, and I was so jealous. But she was nice enough to lend me a glass dildo. I may have not gotten the dick I wanted, but I was happy to be able to stick something in my pussy, even if it wasn't flesh and blood. At first I wasn't sure how I was going to fit that giant glass dong inside of me, but somehow I managed. I think it was because I got so turned on thinking about fucking that guy that I got super juicy and wet."

Haley's a little cum licker.

"I don't just examine my pussy in the mirror, I masturbate in front of it too. I get my glass dildo and watch it slide in and out of my pussy and imagine that it's a real cock. I get so wet that you can hear the squishy noises as I fuck myself. Sometimes when I'm really horny my juices will build up around my pussyhole and on the dildo. Honestly, I've licked the juices before, and I kind of like it. It's mild tasting with just a hint of tang."

BLAIRE
Sneaky Sex

Blaire's not allowed to have boys over, but a girl's gotta do what a girl's gotta do.

Sometimes it's easier to sneak a guy in rather than drive around looking for a secluded area to fuck him in his backseat. "I take the chance and sneak guys in while my parents are home. I just make sure to suck and fuck very quietly."

What's the fun in having to stay quiet while you fuck?

"Normally I would say that's not fun. I want to be able to moan and scream and talk dirty and not have to worry about anything. But it can be hot when you're trying not to get caught. You know, biting your lip to not scream out so your parents don't hear you in the other room. Even though you desperately want to, you can't. And so it's like you're trying to keep a dirty little secret. Instead of being loud you have to whisper, you have to find a way to not let the bed creak. You've gotta get away with fucking, and that's kinda sexy."

Kylie is having a bake sale, but her twat is the real sweet treat.

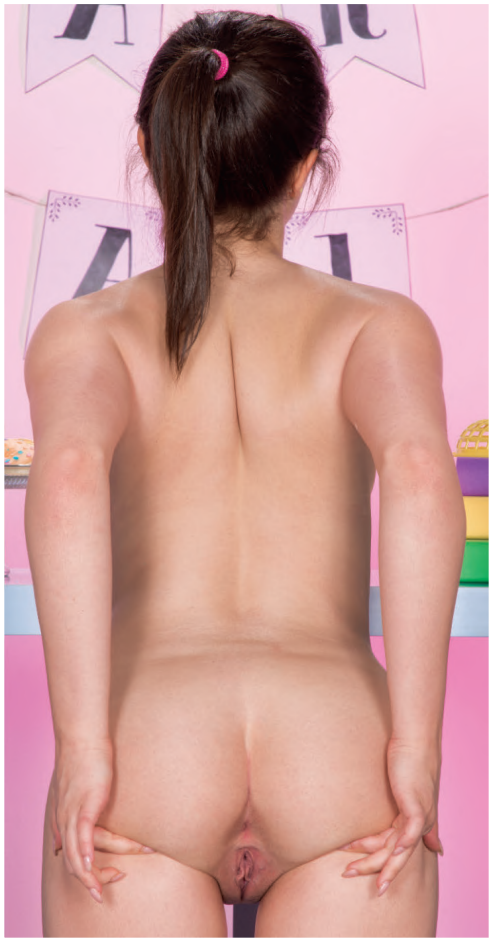

Kylie likes to bake so she regularly sells cupcakes and cookies to make a little extra cash. It's also a good way for her to scout for new cock. "I love interacting with the crowd and having conversations with people. I'm flirtatious so people tend to gravitate towards me. If I see a guy I like I'll eat one of my cup-cakes seductively, get-ting the cream on my lips and licking it off slowly. I'm letting him know that's what I'd do with his cum."

Has a guy ever hit on you during a bake sale?

"All the time. They hit on me and I hit on them too. It goes both ways. One time I was flirting with this guy and I told him I had some more cookies at home if he was interested. He said he'd love to eat my cookies. He wasn't lying! He ate my cookie like he was starving and then fucked me good and hard."

Dessert tends to be a good segue for sex.

"Back when I was a virgin I went on an ice cream date with a boy. It was crazy hot outside so we ended up going back to his place to Netflix and chill. Next thing I know I'm getting my first blow job lesson. He told me to lick his shaft the same way I licked the ice cream cone, then he gave me some cream of his own."

she could finish his lips were moving back to hers.

"Oh, Diane," he said, starting to kiss her again, whispering between kisses. "Is that what this is all about? No to worry, sweetheart. I'd be happy to accommodate you, really. You'll be in good hands." And as if to reassure her in this regard, he worked a paw up under her baby-blue sweatshirt and began to play somewhat roughly with her nubile tits.

Surprising him a bit, she seemed to welcome the aggressive fondling, the thrust of his tongue into her mouth. But after a minute or two, as she started to moan, he realized they were missing the main event. He eased off kissing, leaned back into the couch and began to unbuckle. Just on the verge of triumph, however, a new thought intruded.

"Listen, sweetheart, there is something important we have to discuss first. I'm happy to let you do this, but you gotta understand that no one else can know about it." By this point his zipper was down and she was watching his middle with a combination of fascination and trepidation. As he lifted his butt up off the couch and began to ease his trousers down, he continued. "It has to be, and must forever remain, a secret, our secret." He was exposed now and his cock flopped around a bit in its hardness.

In all her life her attention had never been so riveted. This, as they say, was up close and personal. This was intimate. She was transfixed. It was so…real. Was it more than she'd bargained for?

Divining her thoughts, Sean plunged ahead. He took her closest hand and placed it on his throbbing member. She held it gingerly, but she held it. Moments later she began to gently squeeze and release it. (She knew he had asked something of her but she simply could not recall what it was. Reading her young mind again, he forgot about the promise of secrecy, figuring that if things went well he'd surely get it later.) He placed his hand gently on the back of her head. Pulling it down risked reawakening her recent distasteful experience, but it was now or never.

"Kiss it," he said softly as her upper

body made its arc down to his waist. "Kiss it, sweetheart."

She closed her eyes and did just that slowly from the knob to the base and back up. She pressed her cheek against it, feeling the heat radiate through her sensitive flesh. It was like nothing she had ever imagined. So warm, so hard, so soft. Turning slightly she began to lick it up and down, slow at first, gradually gaining speed. From time to time she would stop at the tip, cover it with little kisses, murmur sweet nothings. She was having the time of her life.

Sean was patient, happy to make her second experience so different from the first, but there was a limit. "Take it in your mouth, Diane. Put it in your mouth." She was ready and willing to obey him again. In it went, down a few inches. She held it steady there for several moments…until instinct took over and she started to suck. (Later, she could in no way remember how long she was at this. She was lost in pure physical feeling, the most amazing, most wonderful, the most delicious of her life. She vaguely recalled her employer's hand on her head occasionally, pushing it down, making her take in two or three more inches. It hardly mattered. *So this is oral sex*, she thought. *So this is fellatio, so this is a blow job. Whatever. Sucking is sublime!*)

Sean continued to read her teenage mind. *She's getting it*, he thought, *she's getting it quickly. She's learning to nurse. That's what we want, that's the formative experience that'll keep her coming back for more, that might get her*, he couldn't help himself, *ad-dick-ted*.

But even if that was in the cards it was still in the future. At the moment a crisis was approaching. It had been a good half hour and it was all he could do to keep from acting like one of those back-seat punks, wanting to push her face rapidly up and down on his dick. It wouldn't do. Exercising a restraint bordering on the heroic, he began stroking her hair and speaking in soft tones. "Sweetheart, I'm getting close. I'm gonna cum. Sweetheart…"

At first she heard the voice as though she were in a trance and someone was calling from far away. *What's this*, she thought, *what's this?* She was slowly coming back to the surface from her mental depths. *He's gonna…he's gonna cum…in my mouth.* She knew before she started of course

HAND FIRMLY ON THE BACK OF HER HEAD TO PREVENT EVEN THE THOUGHT OF EVASION, HE ERUPTED, BEGAN GUSHING IN HER VIRGIN MOUTH.

that it was leading up to this, that the climax of it all was, well his climax. But she had been so absorbed that she had completely forgotten about it.

"Sweetheart, I'm gonna cum." She recognized the voice now, she knew who it was was, and she appreciated that he was alerting her, giving her notice. Yes, this was the man she totally trusted, this was what she expected from such a decent man. He would consider her, not just himself.

In the next moment the explosion occurred. Hand firmly on the back of her head to prevent even the thought of evasion, he erupted, began gushing in her virgin mouth.

"Yeah!" he screamed. "Yeah, yeah, girl, yeah, yeah…." Spasm after spasm racked him with the most intense pleasure he had ever known. It was pure and exquisite sensation: his dick was one with her silky mouth, with the hand holding the skull beneath the angelic hair, with his convulsively rising and falling hips as he shot wad after hot creamy wad down her throat. It was Sean's turn to lose track of time…

Though her instinct when his ejaculation began was to pull away, she instantly realized he did not want this and just as instantly accommodated him. Without thinking she relaxed her throat muscles and easily, willingly accepted the river of semen as it began its powerfully insistent, almost violent flow into her mouth.

How different from what had just preceded! The peaceful, virtually silent sucking now seemed only a dream, she thought, so quickly and forcefully had it been displaced by the raw urgency of his need. Different, yes, but in its own way no less amazing, no less wondrous, no less sublime. It had in truth been the most extraordinary hour by far of her young life; swallowing and moaning, she reveled in it.

LILY
Your Wet
Pet

The way to Lily's pussy is through her nips.

Lily has great tits. They're a perky, round, overflowing handful. Lily knows this, and she dresses to show them off in low-cut shirts and push-up bras. But Lily's tits do more than just look good. They get her pussy juices flowing too. "My tits and nipples are really sensitive, so when a guy plays with them right I get so wet. I love to have my nipples gently sucked. I could almost cum from it."

Do you also get super wet and turned on when a guy eats your pussy?

"Yes, I love to get my pussy eaten. But if he sucks on my tits before touching my pussy it's even better when he goes down on me. It's like my nipples are the on switch for me getting horny. In general I get very wet though. I have to change my panties twice a day because I get horny so often that I soak my undies. I keep an extra pair in my bag for this reason."

BRAT CHAT
HEIGHT: 5'1" WEIGHT: 92 lbs.
BRA SIZE: 32B BORN: Jan. 16
LIVES: Los Angeles, California

So you must soak the bed when you have sex.

"Big time. The sheets definitely need to be changed after. When I'm fucking I can feel the juices dripping down into my ass-crack and forming a puddle on the sheet. It sounds really wet as the guy is pounding me, and his balls will usually get covered in my juices too. By the end my girl cum is smeared all over my inner thighs. That's how you know I've been having a good time. If I fuck a guy in a car I have to warn him to put a towel down unless he wants a stain on the backseat and the smell of pussy lingering in his car for a bit."

TRINITY
The Holey Trinity

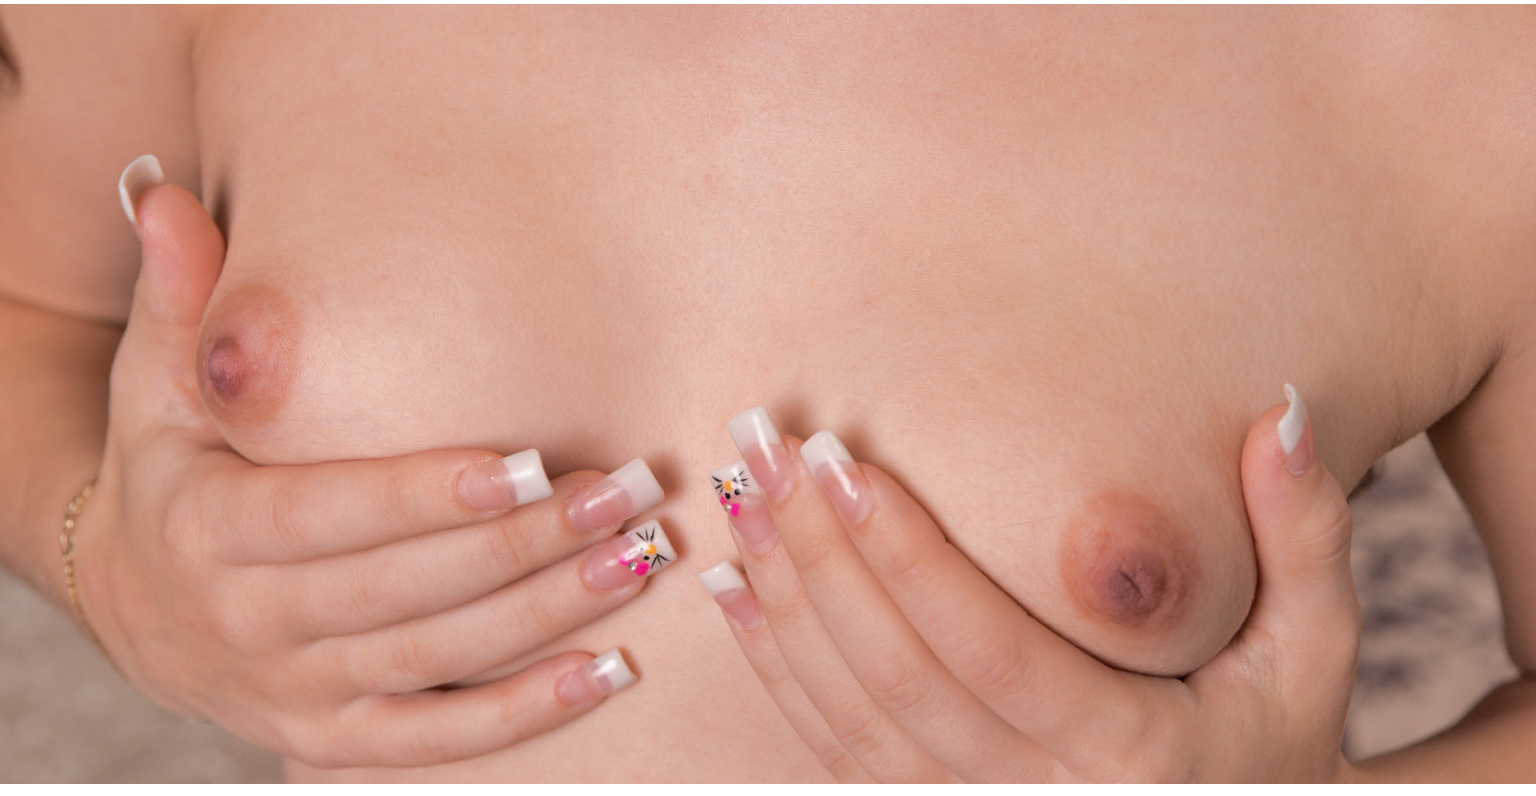

Just like her name suggests, Trinity uses all three of her holes for pleasuring cocks.

It starts with her mouth. She uses her little lips to kiss up and down your shaft, getting you nice and hard to take into her warm mouth. After swallowing and slurping for a while, her pussy is eager to be filled. Slip your cock in and you'll feel the tight pleasure of her young fuck tunnel. If you work her slit right, her asshole will open up for a stuffing.

What's your favorite position to get fucked in the ass?

"I like to start off in the missionary position and do it like that for a while. I can take it pretty deep that way. Then once I have a cum or two I can switch to doggie-style. As long as he's gentle it feels really good."

Do you like being stuffed in your pussy and ass at the same time?

"I've never done DP with two guys, but I have done it with a guy and a toy. It felt really good. I came hard. We started off with regular vaginal sex, then he started fucking my ass. I was really horny and frisky that day so I got out one of my toys and put the vibrator on my clit while he stayed in my ass. Then eventually I slipped it in my pussy. I'm tight normally, but having both the cock and the toy inside me made me feel really tight and filled up. I would like to try it with two guys one day."

VIRGIN TERRITORY

Continued from page 8

Even JMac was shocked by Paola's sluttiness. Alice Green is also a noteworthy anal ginger. She looks so innocent, and that's what made her anal scenes even hotter. Now I'll tell you who I'd love to see do anal: Liza Rowe, Dolly Little, Lucy Doll and Kharlie Stone. If you could make this happen, I'd be forever grateful.–J.G., Poughkeepsie, New York

Dear J.G.,

We remember that scene with Paola too. We can't promise that any of the teens you named will do anal, but Lucy and Kharlie do have more regular hardcore sets lined up.

From Web to Print

Dear Virgin Territory,

I had never heard of *18eighteen* before until I went through my friend's porn stash. I'm more of an Internet guy, but my friend is older and has a ton of magazines. I was pet sitting his dog while he was out of town and I couldn't help but go through some of the magazines for nostalgia's sake. Honestly, I haven't looked at a porn magazine probably since 2000. One girl in particular caught my attention, and that was Naomi from the Feb. '16 issue. She's one of the most beautiful girls I've ever seen. Normally I like bigger tits, but when a girl is as tight and perky as her at it doesn't matter. And her

face is just stunning. There were a lot of cute girls in that issue but she really stood out. To be honest, I'm not going to subscribe. But I'm definitely going to check out your website to see Naomi and your other teen cuties. Although I hear you also specialize in big tits. I'll have to check that out too. Just wanted to let you know that even

Naomi unites porn mag and web fans in their love of fresh teens.

though I don't read porn magazines, I thought you did a good job and I found a girl I really like in one of your issues.–D., via email

Dear D.,

Glad you liked the issue and Naomi. She's one of the most popular models on our website. If you happen to check the site out, please let us know what you think.

Going Native

Dear Virgin Territory,

When are we going to see Zaya fuck? That little Native American makes my cock hard, especially her little, pointy tits. I came so hard looking at her perfect asshole and pussy and imagining what it'd be like to fuck both of them. You don't see too many Native American girls in porn. I like Asian, Indian and Native American women so I encourage you to feature them whenever you can. I hope I get to see Zaya's pink pussy get fucked soon.–L.F., Dayton, Ohio

Dear L.F.,

You will see Zaya fuck soon. If you can't wait you can check out her scene in Flat & Fucked 10.

CHLOE
Bush-Whacked

Chloe is starting to realize that little tits rule!

Chloe orders some Boob Grow cream from the internet, but we like her itty bitties the way they are. So does this guy, but he offers to rub the cream on her tits anyway, getting her hot and bothered with his rough massage. Chloe's chest doesn't grow, but his cock does. We have a feeling that once she feels how big and hard his cock is for her flat chest, she'll chuck the Boob Grow lotion. The only cream she needs on her tiny tits comes from a pair of balls. Watch her flatties get creamed in *Flat & Fucked 10*.

Chloe gets a double dose of cum!

Chloe's flat chest and her blonde bush are almost too much for this guy. In the video scene, she fucks him so good that he shoots not only one but two loads of cum. See, Chloe? You're perfect the way you are!

BRAT CHAT

HEIGHT: 5′7″ **WEIGHT:** 120 lbs.

Are you feeling better about your chest now, Chloe?

"My flatties are growing on me. You're just so used to seeing big boobs everywhere that girls feel like they need them to be sexy. But I get plenty of hard cocks and cum as is."
